RESPONSE

Dear Sir:

This paper is filed responsive to the Final Office Action mailed February 6, 2007. Presently, claims 10 and 12-26 are pending in the application. The Terminal Disclaimer filed October 17, 2005 has not been accepted. The drawings stand objected to. All of the claims stand rejected on the grounds of obviousness-type double patenting over claims 1-47 of U.S. Patent No. 6,360,595 to Lin et al. All of the claims stand rejected under 35 U.S.C. § 103(a) as being obvious over the Wainwright U.S. Patent No. 5,171,537 in view of the Moriarty U.S. Patent No. 6,045,757. Applicants respectfully traverse the rejections and request reconsideration and re-examination of the Application.
